

Slat & Louvered Privacy Screens

Slat & Louvered Privacy Screens

Used as a one panel privacy screen or a multiple panel garden fence, Fielders Slat & Louvered Privacy Screens will provide a modern, sleek look to your next home improvement project.

The attractive Fielders Slat & Louvered Privacy Screens are available in a range of Colorbond® colours. Colours can be mixed and matched to create a unique appearance for your fence.

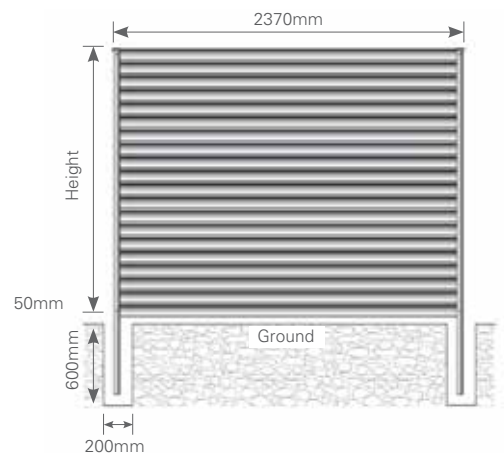

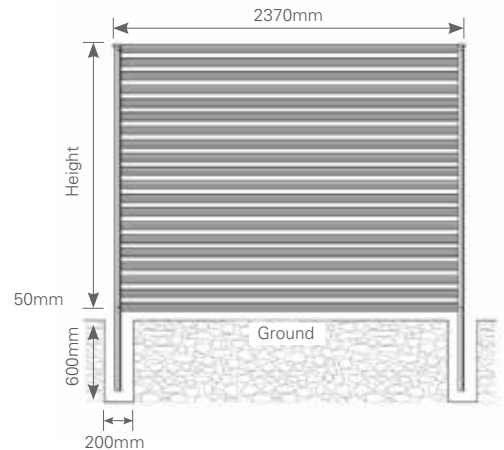

- Ability to be interchanged with other Fielders Fencing profiles.
- Available in a diverse range of colours to suit every individual.
- Short lead time means you aren't left waiting for your new fence.
- Ease of installation allows you to save costs.
- Standard Slat size 70mm.
- End plugs and Joiners available.
- Slat gap may be varied to allow a 10mm, 20mm or 30mm gap.

NOTE: For minimum footing size, refer to Fielders website. Size varies based on height, soil type and wind zone. Please email tsg@fielders.com.au.
