The mac Collection

FENCING

The Metroll Architectural Collection is a contemporary range of innovative products centered around style & flair. New to this collection is the MAC Fencing Range. Three brand new profiles that deliver on style and performance.

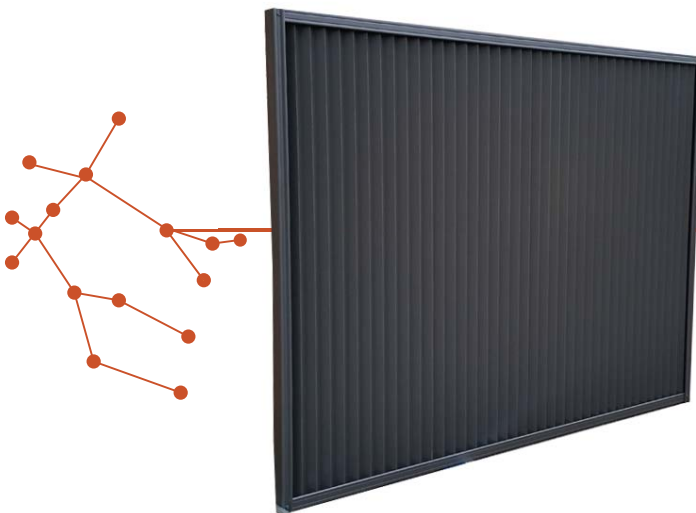

ATLAS

Unashamedly bold.
Wide ribs.
Staunch angles.
Identical on both sides.

POLARIS

A slender version of Atlas.
Narrower ribs.
Contemporary lines.
Identical on both sides.

GEMINI

Pleasing geometry in a perfect zig-zag formation create an elegant surface for light and shadow. Identical on both sides.
