

SUNSET[®] PATIO BEAM

The innovative, one-piece beam perfect for patios, pergolas, verandahs, boat sheds and carports.

Part of Stramit's extensive range of roofing, walling, rainwater and structural products.

PERFECTLY COMPLEMENT AUSTRALIAN HOMES

The innovative one-piece Sunset® patio beam ensures your customers' dream patios will last for many memories to come.

Its stylish design offers high performance, yet efficient manufacturing times, and is perfect for patios, pergolas, verandahs, boat sheds and carports.

Stramit's Sunset® beam is made from COLORBOND® steel, meaning it's durable and non-combustible, manufactured in one step and on your customer's patio sooner.

The Sunset® beam perfectly matches both new builds and classic homes.

DESIGNED FOR PERFORMANCE AND AESTHETIC APPEAL

- No powder coating required cutting manufacturing times.
- Attractive-looking beam for the most up-to-date patio designs.
- Can be cut-to-length for flexible ordering.

AUSTRALIAN MADE AND MANUFACTURED FROM COLORBOND® STEEL

HIGH GLOSS COLOURS

STANDARD COLOURS

The COLORBOND® steel colour swatches and images shown have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones. COLORBOND®, ZINCALUME® and ® colour names are registered trade marks of BlueScope Steel Limited.™ colour names are trade marks of BlueScope Steel Limited. ABN 16 000 011 058.

Many colours and finishes are kept in stock for fast manufacture and delivery. However, some colours and finishes require longer lead times and, in some cases, minimum order quantities. Check with your Stramit Building Products representative before ordering. Note that not all products are available in all finishes.
